

LEAD SAMPLING

THE HEALTH DISTRICT CAN ONLY COLLECT LEAD SAMPLES ON TUESDAY DUE TO THE NECESSITY OF FORWARDING THE SAMPLE ONTO THE LABORATORY FOR TESTING IN A TIMELY MANNER.

- WATER SAMPLES MUST BE TAKEN PRIOR TO ANYONE USING WATER IN THE HOUSE. WE THEREFORE TYPICALLY SCHEDULE SAMPLES 8:30-9:00a.m.
- IF WE ARE UNABLE TO OBTAIN THE SAMPLE DUE TO THE RESIDENTS USING WATER PRIOR TO US ARRIVING, THERE WILL BE A \$40.00 RESCHEDULING FEE.
- LEAD TESTING TAKES 2-3 WEEKS TIME FOR THE RESULTS TO BE OBTAINED FROM THE LABORATORY.
