Greene County Combined Health District Announces H1N1 Flu Clinic for CDC Priority Groups

(XENIA, OH) The Greene County Combined Health District (GCCHD) has announced that it will hold an H1N1 flu vaccination clinic for **CDC Priority Groups (see below)** in Xenia on October 29, 2009. This clinic is for Greene County residents. The clinic schedule is as follows:

- **Thursday, Oct. 29, 2009: 2 p.m. – 7 p.m. at the Fairgrounds; 120 Fairground Rd., Xenia; the Assembly Hall.** There is no charge for the H1N1 vaccine.

The CDC Priority Groups are:

- everyone age 6 months to 24 years old
- pregnant women
- people age 25-64 years with chronic health conditions
- people who live with or care for infants younger than 6 months of age
- healthcare and emergency medical services personnel (who work in Greene County).

Important: For faster service at the clinic, please visit our website, www.gcchd.org (click on H1N1 information and you will see a link for the H1N1 consent form to the right). Download, print and complete a form for each person who will be receiving the H1N1 vaccination. Bring your completed form with you to the clinic.

Additional H1N1 flu clinics will be scheduled as H1N1 vaccine becomes available.

The GCCHD wishes to thank the Greene County Agricultural Society for partnering with GCCHD for this important public health event.

For more information, please call the **Flu Hotline at (937) 374-5657** or visit our website at www.gcchd.org.
