Greene County Combined Health District Reminds Residents Flu Vaccination Remains Important

(XENIA, OH) The Greene County Combined Health District (GCCHD) is reminding residents that getting the influenza (flu) vaccine remains important as we move into the winter months. Holiday time is travel time for many, and with travel comes increased chances for exposure to germs and viruses. **People 6 months of age and older are urged to get vaccinated.**

GCCHD continues to offer flu vaccine on Tuesdays and some evenings during regular immunization clinics. The clinic schedule is as follows:

Every Tuesday at GCCHD, 360 Wilson Dr., Xenia; 8:30 – 11:00 a.m.; 12:30 – 3:00 p.m.

Thursday, Dec. 8th at GCCHD, 360 Wilson Dr., Xenia; 4:00 – 6:30 p.m.

Tuesday, Dec. 13th at the Beavercreek YMCA, 560 Grange Hall Rd., Beavercreek; 5:00 – 6:30 p.m.

Thursday, Dec. 15th at the Fairborn WIC office, 600 Pierce Dr., Fairborn; 8:30 – 11:00 a.m.

The 2011 seasonal flu vaccine is recommended for persons 6 months of age and older. Appointments are not needed for these clinics. The cost for each flu shot is \$25.00 for adults and \$14.67 for children. Cash and checks will be accepted. We do accept Medicaid, CareSource, Molina, AmeriGroup or Medicare Part B. Cards must be shown. People with Medicare Part C or other insurance will need to pay by cash or check and send a receipt to their insurance company for reimbursement.

Greene County Health Commissioner, Mark A. McDonnell, reminds everyone to maintain good health by:

- washing hands often,
- covering coughs and sneezes,
- staying home if feeling sick,
- eating a balanced diet,

(continued)

- exercising, and
- getting the right amount of sleep.
